

## Storm water Fee

In order to efficiently address the city's existing and projected storm water infrastructure necessities a comprehensive review of storm water fees will be conducted in FY-2022. Based on the findings of that review a new storm water fee structure may be adopted.

The current fees are:

- Residential: \$2.50 a month.
- Commercial rates are tiered as follows by acreage:

Acreage	Monthly fee
0 < 1 acre	\$5.00
1 < 10 acres	\$7.00
10 < 50 acres	\$10.00
Parcel > 50 acres	\$25.00
