1.) Discussion of Facilities Study: Kim Foster, City Manager

Adjournment

NEW BUSINESS
AGENDA ITEM #1
Discussion of Facilities Study

A couple of weeks ago Ginger French with TLM Associates presented us the results of their City of Paris facilities study. This study outlined needed repairs to existing buildings as well as conceptual designs for new buildings. The study also included budgets for all options.

The goal of today's meeting is to determine the best course of action for the City to take to address our facility needs.
