(Signs are 72" x 9")

Please Print Sign Content: _____

Intersection for Sign Location: _____

Your Business Name

- No descriptive advertising words, phrases, slogans, or logos shall be allowed on the off-site directional sign.
- Off-sight directional signs shall only be allowed for those businesses that front on a street that intersects with an arterial or collector street.
- An applicant for an off-sight directional sign shall pay a fee of two hundred dollars (\$200.00) when the off-sight directional sign is installed by the City.
- No additional off-sight directional signs other than those installed by the City of Paris shall be allowed within the corporate limits of the City of Paris.

Off-Site Directional Signs installed without a permit are subject to removal.

Public Property. No signs shall be located on or extend over any public property, right-of-way, or easement except for official signs of City, County, State or Federal origin; and with the exception of zero lot line development.
