

PUBLIC NOTICE

Public Notice: Application for TEMA Mitigation Project

The City of Paris, Tennessee is pleased to announce that we are applying for a TEMA Hazard Mitigation Grant to fund the installation of a tornado warning system. This project aims to enhance public safety by providing timely alerts and warnings to residents in the event of a tornado.

Project Overview:

- **Purpose:** To install a comprehensive tornado warning system to alert the community of imminent tornado threats.
- **Scope:** The project will include the installation of multiple warning sirens at strategic locations throughout the community.
- **Benefits:** This system will significantly improve our ability to warn residents, thereby reducing the risk of injury and loss of life during tornado events.

How to Get Involved:

- **Public Meeting:** A public meeting will be held once the project has been approved by FEMA.
- **Comments:** Written comments and suggestions can be submitted to Jessica Crouch at jcrouch@cityofparistn.gov or 100 North Caldwell St., Paris, TN 38242 by February 1, 2025.

For more information about the project or to view the application, please visit paristn.gov or contact Jessica Crouch at 731-641-1402 ext. 402.
