5-6 P.M.	Level II- Must have passed Level I	\$55.00
----------	------------------------------------	---------

Students in swimming lessons are exempt from regular admission fee during class dates.

Class adjustments will be determined by the number of applicants. Enrollment and payment of fees does not guarantee that the student will pass the course.

Lessons are on a first come, first serve basis, and are limited. You can sign up anytime during pool hours. For additional information contact the pool and ask to speak to one of our Water Safety Instructors, at 731-644-2698.

There must be at least 6 participants in each swimming lesson session. Classes will be held at the Paris Civic Center in case of rain or made up depending on instructor. Please check with your instructor at the Paris City Pool in the event of rain.

Private lessons will be considered on request; times and fees are dependent on instructor. Private lessons cannot conflict with regularly scheduled lessons.
